Description

Exclusive. Urban. Timeless.

The unclad concrete structure meets a timelessly modern and sensual feel-good interior.

Unique pieces, collector's items, antiques, furniture design classics, art and murals specially designed for the tower, and textiles made from natural materials are coordinated down to the smallest detail.

On the second floor is the omm suite, which is surrounded by trees to the south and east.

Wall paintings in silver and gold continue the nature theme inside.

Divided into a sleeping area, concrete kitchenette and bathroom with shower and WC.
